company

Nikles Group is one of the world's leading shower equipment manufacturer and supplier. Nikles is a Swiss family owned corporation. We manufacture quality products that are sustainable and durable. Our clients all around the globe, such as luxury manufacturers and leading retailers are sourcing hand showers, shower heads, slide bars, shower systems, and kitchen sprays from us.

Nikles consistently re-invest profits back into research and development resulting in a continuous stream of new products and technologies. We are committed to maintain and to expand our position as a technology partner. Nikles prides itself with products that are trendsetting and state of the art design.

All Nikles products are in compliance with diverse standards in different regions of the world. Our customer base is global with clients from all around the world such as Europe, North America, Asia, Australia, New Zealand, and South America.

As a designer, creator and manufacturer of shower products it is our core purpose to offer to the consumer the right product with an attractive design, appropriate functionality and superior quality and to contribute to the success of our clients and business partners. Our success is built around a team of people with an extraordinary dedication to their professional standards. We believe in the mutual leverage of our business.

Our focus is the creation of products and implementation of strategies to exceed market expectations.

Important Information about Nikles product surface finishes

Nikles takes pride in producing high quality products and providing superior surface finishes.

Natural minor differences in surface treatments occur due to

- material composition (e.g. plastic, brass, stainless steel),
- environmental conditions
- and other external influences that can not be controlled during the production process.

Surface abrasions that occur due to improper cleaning supplies, use and handling of products are excluded from the warranty. Do not use detergents that contain ammonia, bleach or acid. Rinse the product thoroughly and wipe it dry with a soft cloth after each use.

We recommend that you read and follow our maintenance instructions carefully.
